Dear Maui,

Slow month!

We're not going to sugar coat it, it hasn't been as busy around here as we would like. but the prices are evolving into interesting deals....

There's some real value out there right now, and December/January are looking great! It's just this last month, while everyone has been sorting out the financial markets, Real Estate has been put on hold.....

We are still Bullish on the values in this marketplace, and a good solid recovery. (Ok Bullish might be a strong word) Our prices have been flat, but the quality of the homes has gone up, considerably.

Enjoy the Newsletter, It's slightly contradictory this month. Alot of the same, but a touch of ...flux.

Best Regards,

Maui, Bill, Hunter, Judy, Carmen, Stacey and Katie

Downtown Coolness

OK. OPEN DISCLOSURE.....THIS IS MY HOUSE.

There. Now isn't it cool? We were a bit light on new listings this month, so I'm posting my home before we pull it off the market and remodel it for Child number three.....It saddens me that many of you will hear that for the first time on my professional newsletter.....

View the house I love to call home....

What is up California!?

Not quite sure what's going on, but we are seeing a huge spike in Web Traffic from California.....(That's a California Mid Century Home we used to have listed...)

Read the Blog. I was almost cheery for a moment in this one.

The View From Here.

Well, the other shoe has not dropped.

We have not seen the scary markdown event, or other reason to go completely bearish...Things are slightly quiet, but not entirely so. Soft landing? hmm..not sure about that just yet, but there are some positive signs.....
